One Church at a Time

3 Baptisms

We were so excited to have our first baptisms with our new church here in London this month. It was exciting to celebrate with three people as they came forward in believer's baptism. Evan and Audrey Bell, missionary kids of a family that works with us and just arrived in London this July, have accepted Jesus as their Savior a few months back. It was great to hear their testimony and celebrate in their baptism. We also had Michael, a man that has been coming to our church since August, who was saved 10 years ago but he never was discipled or baptized. It has been great to see how much he has grown over the past 3 months.

New Youth Service

We have been getting more and more teens coming to our church. This month we kicked off our youth service that takes place on Sunday mornings with 6 teens. We are fitting in a few Sunday meetings before the new year then we will set a regular schedule for meeting. Please be praying for this group to grow and for more leaders to be able to help out.

Church is Growing

It has been exciting to see how our church has grown over the past 9 months. From just under 10 in attendance on Sunday morning to averaging 50 this month, from 0 kids to over 15, from 12 members to 20. Along with 5 salvations and 3 baptisms, it has been great to see how much God has blessed in such a short amount of time. We can't wait to see what God has in store for 2019.

Financial Support

There has been a lot of changes over the past 6 months from getting married, to switching mission boards, to finding out that we are expecting a baby girl next year. All in all, our financial requirements to do ministry in London are growing with the growth of our family and your financial support would be a blessing. 2018 has come with 3 new supporters but it has also brought the loss of 9 supporters as well. Would you consider financially supporting our ministry in 2019? Your monthly support will go a long way in helping us do the ministry God has called us to do here in London. If you have any questions about how to start financial support just email or call me: Justin@SavingLondon.com or (816) 651-8833.
